<http://go.roku.com/tvmanual>

<https://jvcsmart.com/pages/contact>

Key things to know: A paid subscription or other payments may be required for some streaming channel content. Channel availability subject to change and varies by country.

2 INSTALLING THE TV STAND

It is recommended two people handle TV stand installation. To prevent scratch or damage to the TV screen, place the TV on a soft, flat surface.

Attach the stands to the bottom of the TV by inserting the stand into slots on the TV. Secure the stands to the TV with the supplied screws.

To attach the left and right leg that forms the stand:

1. Place the legs into the bottom slots of the TV, insert and tighten the screws (found in the accessories bag) in the circled areas with the screwdriver (not provided).

2. After securing the stand, place the TV on a stable surface. The TV is ready for use now.

Note: TV can also be wall mounted. Wall mount sold separately.

3 LOCATION OF CONNECTORS

4 CONNECTING DEVICES TO YOUR TV

JVC recommends using the best-quality video connection for your Cable Box, Satellite Receiver, Blu-ray, DVD player, Game box or any other device starting with **HDMI®**.

CAUTION

Disconnect the power cord before connecting device

CONNECTION TO HDMI INPUT

CONNECTION TO AUDIO/VIDEO INPUT

HDMI is a trademark of HDMI Licensing LLC in the United States and other countries.

5 SETTING UP YOUR TV

1. Place batteries in remote

Power your TV remote by inserting the included batteries carefully matching (+) and (-) indicated inside the battery compartment.

Tip: Always replace dead batteries with two brand-new batteries from the same manufacturer. Never use damaged batteries.

If your remote gets warm/hot during use, discontinue use and contact customer support immediately at <https://jvcsmart.com/pages/contact>

2. Plug in and turn on TV

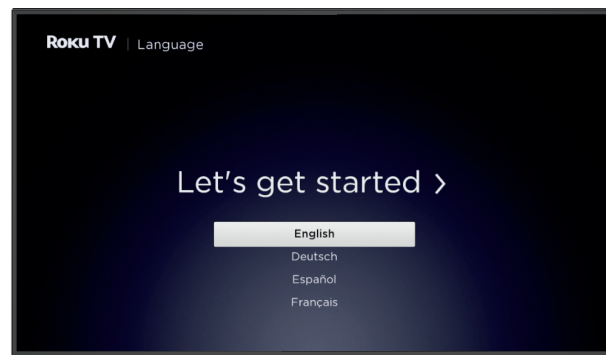

Connect your power cord to the TV, then plug it into the wall outlet.

Press the power button on your TV remote control.

3. Complete Guided Setup

Tip: Have your wireless network name and password handy.

Follow the on-screen instructions on your Roku TV. If you are not ready to connect your TV to a wireless network, you can still use it as a regular TV.

4. Activate your smart TV

Activate your Roku TV using your computer, smartphone, or tablet to link to a Roku account. You need a Roku account to activate your Roku TV and access entertainment across thousands of streaming channels.

Roku accounts are free and while a valid credit card number is not required to create a Roku account, saving your credit card information makes renting and purchasing entertainment from the Roku Channel Store fast and convenient.

Once connected to your account, your TV will automatically update with the latest software, and you can start streaming immediately.

NOTE: Roku does not charge for activation support – beware of scams.

6 CONNECT AN ANTENNA (OPTIONAL)

Check to ensure that you have selected the right cables for the ports and that they are connected securely. Loose connections can affect the quality of the picture image and color. (Cables and External Equipment not included.)

Note:
Aerial connections : F connector.
Input impedance : 75Ω unbalanced.

With the tuner built-in you can connect your TV to an antenna and enjoy over-the-air entertainment.

1. When the setup wizard is complete select the Antenna TV icon  from the home screen.
2. Follow the on-screen instructions.
3. Whenever you want to watch antenna TV, select the Antenna icon.

7 REMOTE CONTROL

The Roku TV remote should feel right at home in your hand. We designed it to be incredibly intuitive for watching TV and navigating on-screen menus.

*Remote has pre-set channel buttons with channel logos

Tip: The  gives you easy access to picture settings, display options and more. Try it on every screen.

Tip: If you prefer to use your cable set-top box or satellite receiver remote as a Universal Remote, please refer to the manual that your cable or satellite service provided. It includes instructions on how to program their remote to your television. You can find codes that work with your JVC Roku TV and most common cable and satellite provider's universal remote controls at www.roku.com/universalremote.
